Description :

PDF-e0a86 | Part travelogue, part narrative history, Colour unlocks the history of the colours of the rainbow, and reveals how paints came to be invented, discovered, traded and used. This remarkable and beautifully written book remembers a time when red paint was really the colour of blood, when orange was the poison pigment, blue as expensive as gold, and yellow made from the urine of cows force-fed with ma... *Colour: Travels Through the Paintbox*
