Description :

PDF-99323 | Three massive terrorist attacks! Three separate locations! All planned to bring the world to its knees! One man can prevent the carnage, but the authorities won't listen. They're too busy trying to kill him. Weapons of Mass Destruction (WMDs) are all around us, hiding in plain sight, if you just know where to look. But when a cabal of international terrorists engineers not one act of terror, but three... *Deadly Straits*
