Description :

PDF-d7e02 | NEW YORK TIMES BESTSELLER The Victorian language of flowers was used to convey romantic expressions: honeysuckle for devotion, asters for patience, and red roses for love. But for Victoria Jones, it's been more useful in communicating mistrust and solitude. After a childhood spent in the foster-care system, she is unable to get close to anybody, and her only connection to the world is through... *The Language of Flowers: A Novel*
